

# Chasing Rainbows- Shed Seven

There are things that I regret  
Like being called a nervous wreck  
And working up another sweat for you

There's nothing that I can do  
For counterparts and bleeding hearts  
And all the things that fall apart for you

I don't keep my secrets there- I hide them everywhere

I could deny, but I'll never realise  
I'm just chasing rainbows - all the time

And then I missed my cue  
Everybody had a laugh  
And then went for an early bath, did you

I don't keep my secrets there- no, no, no,  
I hide them everywhere

I could deny, but I'll never realise  
I'm just chasing rainbows - all the time

(I could deny)  
I could deny, but I'll never realise  
I've been chasing rainbows  
All my life

I could deny, but I'll never realise  
I'm just chasing rainbows  
All the time

(I could deny)  
I could deny, but I'll never realise  
I've been chasing rainbows  
All my life
