

I'M STILL STANDING- ELTON JOHN

INTRODUCTION

VERSE 1

- You could never know what it's like
Your blood - like winter freezes just like ice
And there's cold lonely light that shines from you
You'll wind up like the wreck you hide
Behind that mask you use

VERSE 2

- And did you think this fool could never win
Well - look at me I'm-a comin' back again
I got a taste of love in a simple way
And if you need to know while I'm still standing
You just fade away - - don't you know

CHORUS

I'm still standing better than I ever did
Looking like a true survivor - - feeling like a little kid
And I'm still standing after all this time
Picking up the pieces of my life without you on my mind
I'm still standing - - yeah - yeah - yeah
I'm still standing - - yeah - yeah - yeah

VERSE 3

- Once I never could've hoped to win
You starting down the road leaving me again
The threats you made were meant to cut me down
And if our love was just a circus
You'd be a clown by now

CHORUS

I'm still standing better than I ever did
Looking like a true survivor - - feeling like a little kid
And I'm still standing after all this time
Picking up the pieces of my life without you on my mind
I'm still standing - - yeah - yeah - yeah
I'm still standing - - yeah - yeah - yeah

GUITAR SOLO

CHORUS

- Don't you know- I'm still standing better than I ever did
Looking like a true survivor - - feeling like a little kid
And I'm still standing after all this time
Picking up the pieces of my life without you on my mind
I'm still standing - - yeah - yeah - yeah
I'm still standing - - yeah - yeah - yeah
