

SHINE - EMELI SANDE

Let's keep it wheelin' - say how you feelin'
Like you got the whole world - behind you
And break all the rules - of love who you choose
Just make sure it's love that lights your fire

**You gotta let love - lead - you
And you gotta let love - shine - through**

**Oh, shine - shine
Oh, shine - shine**

Oh express yourself - it's good for your health
Oh nothing to fear when truth walks beside you
And sing you a song - sing it all day long
You gotta let your heart lift you higher

**You gotta let love - lead - you
And you gotta let love - shine - through**

**Oh, shine - shine
Oh, shine - shine**

Light up - light up - light up your heart - light up - light up - light up the dark

Woah's in here

Light up - light up - light up your heart - light up - light up - light up the dark

Light up - light up - light up your heart - light up - light up - light up the dark
Light up - light up - light up your heart - light up

**You gotta let love - lead - you
And you gotta let love - shine - through**

**Oh, shine - shine
Oh, shine - shine
Oh, shine - shine**

And you gotta let love - shine - through
