

# SHOWER THE PEOPLE - JAMES TAYLOR

Make it rain - love - love - love the sunshine  
Make it rain - love - love - love the sunshine

You can play the game and you can act out the part  
Though you know it wasn't written for you  
But tell me - how can you stand there with your broken heart  
Ashamed of playing the fool  
One thing can lead to another - it doesn't take any sacrifice  
Oh - father and mother - sister and brother - if it feels nice - don't think twice

**Just shower the people you love with love**  
**Show them the way that you feel**  
**Things are gonna work out fine if you only will**  
**Shower the people you love with love**  
**Show them the way that you feel**  
**Things are gonna be much better if you only will**

You can run but you cannot hide - this is widely known  
And what you plan to do with your foolish pride  
When you're all by yourself alone  
Once you tell somebody - the way that you feel  
You can feel it beginning to ease  
I think it's true what they say about the squeaky wheel  
Always getting the grease - *better to*

**Shower the people you love with love**  
**Show them the way that you feel**  
**Things are gonna be just fine if you only will - *what I'd like to say to you***  
**Shower the people you love with love**  
**Show them the way that you feel**  
**Things are gonna be much better if you only will**

Make it rain - love - love - love the sunshine  
Make it rain - love - love - love the sunshine

Make it rain - love - love - love the sunshine  
**Shower the people you love with love**  
**Show them the way you feel**  
Make it rain - love - love - love the sunshine  
**Shower the people you love with love**  
**Show them the way you feel**
