

# TIME WARP

## INTRODUCTION

A/// A/// A/// A///

## STRUM

Rock and roll style down-up strums on the beat

## VERSE 1

A/// A/// B/// B/// G/// D/// A/// A///  
It's astounding - time is fleeting - madness - - takes its toll  
A/// A/// B/// B/// G/// D/// A/// A///  
But listen closely - not for very much longer - I've got to keep control  
A/// A/// B/// B/// G/// D/// A/// A///  
I remember - doing the time warp - drinking - those moments when  
A/// A/// B/// B///  
The blackness would hit me - and the void would be calling  
F\* C\* G\* D\* A/// A///  
Let's do the time warp again  
F\* C\* G\* D\* A/// A\*  
Let's do the time warp again

## CHORUS

E7/// E7\* A/// A\*  
It's just a jump to the left - - - - and then a step to the right  
E7/// E7\* A/// A7///  
With your hands on your hips - - - - you bring your knees in tight  
D/// D/// A/// A///  
But it's the pelvic thrust - that really drives you insane  
F\* C\* G\* D\* A/// A///  
Let's do the time warp again  
F\* C\* G\* D\* A/// A\*  
Let's do the time warp again

## VERSE 2 - (one strum on each bar)

A\* A\* B\* B\* G\* D\* A\* A\*  
It's so dreamy - oh fantasy free me - so you can't see me - - no not at all  
A\* A\* B\* B\* G\* D\* A\* A\*  
In another dimension - with voyeuristic intention - well secluded - - I see all  
(strum back in) A/// A/// B/// B/// G/// D/// A/// A///  
With a bit of a mind flip - you're into the time slip - and nothing can ever be the same  
A/// A/// B/// B///  
You're spaced out on sensation - like you're under sedation  
F\* C\* G\* D\* A/// A///  
Let's do the time warp again  
F\* C\* G\* D\* A/// A\*  
Let's do the time warp again

## MIDDLE SECTION

Well I was walking down the street just a having a think

When a snake of a guy gave me an evil wink

He shooka me up - he took me by surprise

He had a pickup truck and the devil's eyes

He stared at me and I felt a change

Time meant nothing - never would again

## CHORUS

Let's do the time warp again

Let's do the time warp again

It's just a jump to the left - - - - and then a step to the right

With your hands on your hips - - - - you bring your knees in tight

But it's the pelvic thrust - that really drives you insane

Let's do the time warp again

Let's do the time warp again
